Boris Dubrovin Medal

The Boris Dubrovin Medal in memory of Boris Anatolievich Dubrovin, Professor at SISSA from 1993 to 2019, is awarded by SISSA, with the support of the Moscow Mathematical Society, the “Gruppo Nazionale per la Fisica Matematica” (GNFM) and the “Gruppo Nazionale per le Strutture Algebriche, Geometriche e le loro Applicazioni” (GNSAGA), which are part of the Istituto Nazionale di Alta Matematica (INDAM).

The award recognizes exceptionally promising young researchers who have already made outstanding contributions to the fields of mathematical physics and geometry.

Requirements

The recipient, with no restriction on the nationality, must have defended her/his Ph.D thesis in the solar year of the award or in the preceding 12 years. The eligibility period is extended beyond 12 years in case of maternity, with a 2 year extension for each child born before the nomination deadline.

Nomination procedure and deadline

Nomination can be submitted by researchers active in the fields of the award. Self-nominations and nominations by the Ph.D. advisors are not accepted. Nominations must be sent to dubrovin_medal@sissa.it no later than 28.02.2022.

The nomination should contain an overview of the candidate results (maximum 2 A4 pages). Furthermore the nomination should contain:

1. The candidate name and institution
2. The year of the candidate Ph.D.
3. The nominator name, institution and e-mail address (to confirm receipt of the nomination)
4. Professional relation between the nominator and the candidate
5. The list of papers on which the nomination is based
6. A short CV of the candidate

Results

The results of the selection will be notified to the sponsor and to the candidate by late March.
The recipient will be awarded a medal and an allowance to travel to the award ceremony. The cost will be covered by SISSA. The recipient will also receive a monetary prize awarded by SISSA-Medialab and *Letters in Mathematical Physics* a journal by Springer Nature.
